## Learning the *fundamentals*

The Fundamentals of Fundraising Course, sponsored by the Central Ohio Chapter of AFP, was held for the first time in Ohio on June 24 -25. Twenty-four individuals participated in the two-day intensive course that included real-life case studies and group projects. "It was a great experience to be one of the first chapters to provide the new Fundamentals of Fundraising Course. AFP's commitment to education for the non-profit community and the dedication of the faculty made it all possible. I want to thank The Columbus Foundation for their generous donation of meeting space and express my gratitude to everyone involved for making this first year a success!", said Susan Black, CFRE, who chaired the education initiative.

The Central Ohio AFP Chapter was pleased to award scholarships to the Fundamentals of Fundraising Course to: Nancy Baier, Elise Burgess, Renee Canfield, Cathy Milless and Teri Montigny.
